The contributions are of that character which so peculiarly distinguishes the "Home Magazine," high toned, moral, instructive and interesting. There is no Magazine more deserving of a place the home circle. We will furnish the Home Magazine and Godey's Lady's Book for \$3,50.

NAVIGATION OPEN .- The whistle of the steamer Campbell, yesterday, reminded our . Momentarily Expected! citizens that the Wabash is a navigable stream in our vicinity. Numbers hastened to the Toll Bridge to witness her departure. Capt. Shewmaker paced the deck with the tread of a true son of Neptune, while Capt. Barrick felt of the wheel to see that all was song and taut. About 12 o'clock the lines were cast off, the gangway planks hauled in and the Campbell took her way through the draw and was off to Eugene for a load of salt. This is the first boat that has left port this fall, and we may expect to hear her whistle regularly till navigation again closes.

SARSAPART A .- This tropical root has has a repu tation wide as the world, for curing one class of disorders that afflict mankind-a reputation too, which It deserves as the best antidote we possess for scrof ulous complaints. But to be brought into use, its virtues must be concentrated and combined with other medicines that increase its power. Some reli able compound of this character is much needed in this community. Read the advertisement of Dr. Ayer's Sarsaparilla in our columns, and we know it needs no encomiun from us to give our citizens cun fidence in what he offers .- [Organ, Syracuse, N. Y.

Any of our readers afflicted with Schorula or Scrofulous complaints, will do well to read the remarks in our advertising columns respecting it. But little of the nature of this disorder has been known by the people, and the clear exposition of it thergiven, will prove acceptable and useful. We have long admired the searching and able manner in which Dr. Aven treats every subject he touches: whatever has his attention at all, has a great deal of it; he masters what he undertakes, and no one who has a particle of feeling for his afflicted fellow man, can look with indifference upon his labors for the sick .-Read what he says of Scrofuls, and see in how few words and how clearly he tells us more than we all have known of this insidious and fatal malady. HOW DOES PERUVIAN SYRUP CURE SO MANY DISEASES. APPARENTLY DISSIMILAR?

Whenever the mind is taxed more than the body the penalty is Dyspepsia, the most convenient name for a legion of complaints, beginning with impaired digestion, and generally ending in CONSUMPTION, and all originating in a deterioration of the blood From the Rev. Dr. GREENLEAF. CINCINNATI, October 12, 1859.

I have derived so much personal benefit from the "Peruvian Syrup," that I do not hesitate to recommend its use to all that large class of cases, where Iron is the efficient remedy. To clergymen especially ally, and persons whose occupations tax heavily the nervious energies, or to sufferers from the debilita-ting effects of summer heats. I believe this to be an avaluable remedial agent.
